OFFICE OF LEGISLATIVE COUNSEL

Monday - 4 November 1963

1. (Internal Use Only - JSW) Again contacted Miss Gladney in Representative Clarence Cannon's office to see if Mr. Cannon could see the Director at some time during this week. Miss Gladney said she would once again put a note before Mr. Cannon and see what she could do.

2. (Internal Use Only - JSW) At the Director's request, made inquiry of Mr. Vinson if the Subcommittee could meet so that it could be briefed on the South Viet-Nam situation. Subsequently, Mr. Vinson suggested a time of 9 o'clock this coming Thursday and this has been confirmed as satisfactory by the Director.
